Jen

We are assuming that its a go at our end. There are still a couple of folks who haven't confirmed, but we think we have critical mass.

We should be able to confirm by the end of today - tomorrow am at the latest. So far it's looking like most of the key managers can make it.

Milestone Meeting

Hi Chip,

I hope you had a great weekend! I am just following up on the placeholder date of November 12th for the next milestone meeting. As you know, it is challenging to keep those kinds of placeholders this time of year. Do you have any status update yet from your team on that date?

Thanks very much,

Bob
